Hi, I'm Kris Jones and I've been the owner and operator of 1ST Choice Auto Service since 2003. I know that trust is important when the safety of your loved ones is at stake and it's important to me that we earn that trust. My friendly staff takes customer service seriously and will make your experience a positive one.

With ASE Certified and experienced mechanics my full service shop can perform most any auto repair from A to Z.

That's right, here at 1ST Choice we can perform the same service and maintenance that a dealer can. Oh, and did I mention that we can save you tons of money while in the process? Come in today to see why we want to earn the title of being your 1ST Choice for all your auto repair needs.

I look forward to seeing you soon!
